E-mail (*) _____ Telephone (*) _____

Invoice address (only fill in when different from applicant)
Company name _____
Address (*) _____
Zip code (*) _____ City (*) _____ Country _____
E-mail _____ Telephone _____
VAT number (*) _____

Samples

Number of samples: 1 ❑ 2 ❑ 3 ❑ 4 ❑ 5 ❑
Sampling place 1: _____
Sampling place 2: _____
Sampling place 3: _____
Sampling place 4: _____
Sampling place 5: _____

Description of the problem

_____
_____
_____
_____
_____

For this analysis we charge a fixed price per delivered sample, disregarding the determined results, of **€ 115,00 excl. 21% VAT**. Check the website for volume discount.
When the result is positive a complete mould investigation is advices. Contact us for an estimate.

Signature applicant

De delivered samples are grown under controlled circumstances according to SBM-2015. The result is negative, moderately positive, positive or harmfully positive.

Negative	Moderately positive	Positive	Harmfully postive

This laboratory report only apply to the delivered samples and are to be considered strictly limitative. The delivered samples can be stored on expressive request, otherwise the samples will be destroyed after 30 days. The made observations are under all reservations, not limitative and without the least negative acknowledgement.
